Some of the stars we see in the sky
died millions of years ago and
yet we still see their light today.
So it is with the Lions, Lioness and Lionette
who have passed on.
Their spirit will shine on in spite
of their death.
The pain will diminish,
but not the light.

LIONS Code of Ethics

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand a fair remuneration or profit as my just due, but accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or questionable act on my part.

To remember that in building up my business it is not necessary to tear down another.

To be loyal to my clients or customers and true to myself.

Whenever doubt arises as the right or ethics of my position or actions toward my fellow man, to resolve such doubt against myself.

To hold friendship as an end not as a means. To hold that true friendship demands nothing, but accept service in the spirit in which it is given.

To always bear in mind my obligations as a citizen of my country, my province and my community and to give my unswerving loyalty in word and deed, sharing freely of my time, labour and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism, to be liberal with my praise, to build up and not to destroy.
