

CASES FOR THE CURE

Join us this May!

Collect bottles in your community and donate the funds to support world-class diabetes researchers.

Every little bit makes a difference. Through a bottle drive program, you can make a positive impact in your community, the environment and the 1 in 3 people across Canada affected by diabetes.

All Donations are welcome, please mail them to:

1300-522 University Ave.,

CASES FOR THE CURE Bottle Drive

Newly redesigned, Cases for the Cure, our bottle drive program is designed to fit the needs of our club supporters.

You can organize a bottle drive whenever and wherever you feel is right. However, you don't have to do it alone.

For more information on how to organize a successful bottle drive and to get your Cases for The Cure poster contact Tony Orangis: tony.orangis@diabetes.ca or 416-408-7015.

Campaign Timeline

April

Organize bottle drive

Promote Cases for the Cure

Connect with schools & community

May

Collect bottles & coordinate time

Bottle sorting event with events

Recycle for funds

Celebrate campaign success

Thank supporters for donations

Researcher Spotlight: Dr. Timothy Kieffer

Dr. Timothy Kieffer is working to significantly improve the manufacturing of beta cells to obtain more robust insulin delivery. The team will engineer new cell culture methods to selectively control cell architecture and enhance cell fitness.

Funds raised through our Cases for the Cure program will go towards funding researchers like Dr. Kieffer
